8 Free lesson plan templates fit for your teaching ...

Weekly lesson plan templates. This weekly planner might help you to get things ordered. The planner shows the days of the week and the hours of the day on one sheet. Just right for a quick overview and easy to consult when you are planning meetings. I suggest you use some highlighters for each activity. It will give you a better overview.

Preschool Lesson Plan Template for Weekly Planning ...

If your preschool students are there five days a week, grab that template. If you teach two days a week, there's one for you too. I know there are even some teachers who teach three days with one age group and two days in another (in that case, I'd suggest using a 3-day template and a 2-day template).

Free Lesson Plans to choose from to make your job easier.

Go To Templates. Once you have chosen the appropriate template for your needs, you can begin to build the actual plan. I find it easiest to decide on a theme for the week, month or whatever length of time that works best for you and the children in your class. For the most part, I use the templates for 1 - 2 week blocks of time.

Weekly Lesson Plan Template

9+ Printable Weekly Lesson Plan Templates. Commonly, lesson plans relate to the textbooks used in the class. It involves activities and tasks the teacher has prepared for the class which will guide the teacher in running a particular lesson. Details in a lesson plan firmly depends on the preferences of the teacher, the subject, and the learning needs that need to given to the class.

Free Printable Lesson Plan Template

The printable lesson plan template does have one limitation - space. As the PDF file cannot be amended, the size of the boxes for each part of the lesson plan cannot be expanded.
